Update – COVID-19

In accordance with the best practices proposed by the Government of Canada and the GNWT regarding COVID-19, the College is suspending on-site scheduled activities. Since some of our staff are in preventative quarantine, the college will continue to operate, but with a reduced staff capacity.

Closure of the college to the public

The college will be closed to the public from March 19, 2020, until further notice. You can reach us by email for all requests. The email addresses of all employees can be found in the "Contact" section of our website. For general inquiries, please write to info@college-nordique.com.

Please note the following language courses changes:

- Language courses for the Winter 2020 session are maintained, but offered as a virtual classroom. If you are registered for a course, you will receive detailed information by email.
- Tlicho courses 1 and 2 are cancelled for the remainder of the Winter 2020 session.
- Language course registrations for the Spring session are maintained. As of April 6, the French, English and Spanish courses scheduled for the spring session will be offered by distance, in the form of an interactive virtual classroom. Classes will continue on-site when the situation allows it.

All students affected by the changes have been contacted by email.

LINC Program

Scheduled courses are offered as an interactive virtual classroom until further notice. Classes will continue in the classroom when the situation allows it.

The college team has your health at heart and is closely monitoring the situation. Stay tuned, we will continue our regular programming once the situation is resolved!
